GPI Traffic Calming

- City’s Traffic Calming Policy
- Design work contracted out
- Public involvement – 3 Areas
  - Combined and separate meetings
- Construct traffic calming measures – contracted out
- Construct sidewalk – City Forces
Lessons Learned

• Public Involvement Vital
  – Residents and/or Property Owners
  – Emergency Responders (Fire & EMS)
  – School Buses and/or Tour Buses

• Layout Before Installation
  – Test Runs
  – Make Revisions

• Long-term Maintenance
  – Public vs. Private
  – Crash Damage?
QUESTIONS?
IT'S THE VERY LATEST IN "TRAFFIC CALMING" MEASURES!
